It comprises the whole Basin of the Nile from the Victoria Nyanza to the Mediterranean, and includes all the territory formerly held hy Egypt, Abyssinia, and the Red Sea. LARGE SCHOOL WALL MAP OF THE HOLY LAND.

This Map, on the large Scale of 6 miles to an iuch, is in two divisions, to illustrate both Old and New Testament History. Considerable care has beeu exercised in the selection of material and the delineation of the physical character of the conntry, as well as in the identification of sites, frequently from very conflicting evidence. In each of these respects, the puhlishers believe that a great improvement will be found in this upon former Maps. A plan of Ancient Jerusalem, constructed from the most recent investigations, is also inserted.

Size, 50 hy 42 inches. Price, with Handhook, 12s. on cloth, rollers, and varnished. Forming one of W. & A. K. Johnstons' Series of Large Scriptural School Wall Maps.

LARGE PHYSICAL SCHOOL WALL MAP OF ENGLAND AND WALES.

The Map is on the large Scale of abont 8½ miles to an inch, and a good hold style has been adopted, rendering it suitable for classrooms. A Handhook containing a concise description of the physical geography of the couutry accompanies the Map.

Size, 50 hy 42 inches. Price, with Handbook, 12s. on cloth, rollers, and varnished. Forming one of W. & A. K. Johnstons' Series of Large Physical School Wall Maps.

THE "IMPERIAL" SERIES OF SCHOOL WALL MAPS.

This Series of Maps has been prepared at the request of nnmerous Teachers.
